

associated with the additional options series listed as a result of the pilot program and the effect of these additional series on the capacity of the Exchanges', OPRA's, and vendors' automated systems.

The Commission notes that the Exchanges intend to commence this pilot program on July 24, 1995.²¹ In the event an exchange desires to extend the pilot program beyond the twelve month period, it should submit a report to the Commission before May 31, 1996. The report should cover the ten month period from July 24, 1995 to May 20, 1996, and should include data and written analysis on the open interest and trading volume in affected series, and delisted options series (for all strike price intervals) on the selected pilot program option classes. The exchange should also discuss any capacity problems that may have arisen during the pilot program and provide any other data it believes is relevant to the analysis of the pilot program.

In sum, the Commission finds the Exchanges' proposal to implement a twelve month pilot program to list 2½ point strike price intervals in selected equity options with strike prices between \$25 and \$50 should provide investors with more flexibility to establish equity options positions that may be better tailored to meet their investment objectives.

The Commission finds good cause for approving Amendment Nos. 3, 2, 2, and 1, respectively, to the Phlx's, the CBOE's, the PSE's, and Amex's proposals, prior to the thirtieth day after the date of publication of notice of filing thereof in the **Federal Register**.

Specifically, the amendments conform other exchanges' proposals with the NYSE's proposal, in that the Exchanges will not be required to list 2½ point strikes for all expiration months in selected option classes. The Commission notes that the NYSE proposal was subject to a full notice and comment period, and no comments were received.

Accordingly, the Commission believes that it is consistent with Section 6(b)(5) of the Act to approve Amendment Nos. 3, 2, 2, and 1, respectively, to the Phlx, PSE, CBOE, and Amex proposals on an accelerated basis.

Interested persons are invited to submit written data, views and arguments concerning Amendment Nos. 3, 2, 2, and 1, respectively, to the Phlx, PSE, CBOE, and Amex proposals. Persons making written submissions should file six copies thereof with the

Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, N.W., Washington, D.C. Copies of such filing will also be available for inspection and copying at the principal offices of the Exchanges. All submissions should refer to File Nos. SR-Phlx-95-08, SR-PSE-95-07, SR-CBOE-95-19, and SR-Amex-95-12 and should be submitted by [insert date 21 days after the date of this publication].

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²² that the proposed rule changes (SR-Phlx-95-08, SR-Amex-95-12, SR-PSE-95-07, SR-CBOE-95-19, and SR-NYSE-95-12), as amended, are approved through July 15, 1996.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.²³
